### Part B

#### **CURRICULAR ASPECTS**

### 1.1 - Curricular Planning and Implementation

- 1.1.1 The Institution ensures effective curriculum delivery through a well planned and documented process
  - The Academic Committee, Dr. B.K.B. College, with Principal as Chairperson, Vice-Principal as Member Secretary and IQAC coordinator and HODs of all Departments as members, prepares the planning for Curriculum delivery and takes good care of documentation of the same. The committee ensures maintenance

Page 6/96 11-06-2022 12:15:47

- of class, completion of syllabus, necessity of extra and remedial class, excursion, examination, result etc. The committee in its meeting, held at least one in every month, takes progress report from the Departments and provides prescription for betterment. The vice-principal acts as the monitor of the classes held.
- The Academic Calendar prescribed by the Parent University is modified by IQAC with scholastic and non-scholastic programme designed by Departments/IQAC/different Cells of the Institution preparing the route to thedesired goals of the institution.
- The HODs prepare and provide Assignments to each teacher of the concerned departments before commencement of every semester and submit the same to Academic Committee and office of the IQAC. The teachers prepare Teaching Plan for the Assignments provided and submit the same to their concerned HODs. The teachers conduct the classes assigned following the teaching plan made and the HODs ensure completion of the course accordingly.

#### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The Institution provides a well-structured learning atmosphere to all the students originating from diverse linguistic backgrounds. The teachers of the department equally support and assist the slow learners along with the learners having advanced capabilities by using different audio-visual teaching aids to increase their learning level. The use of the master board inside the classroom motivates the students to learn in a didactic way. This procedure of teaching helps the students to develop their understanding capacity inside the classroom and they can thereby analyze the concerned topics in their individual levels. Group discussions are also arranged for the slow learners in such a way where a few leading students among advanced learners are offered the platform to talk, discuss and guide the targeted students in relations to the concerned class concepts/texts that they find difficult to understand in the class.

Also remedial classes are conducted for slow learners. Resessional examination are conducted for those who have failed and given second chance to excel.

#### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institution adopts the student centric methods to enhance their involvement in learning the course concepts as well as solving the problems or confusions arising out of difficulties in the learning level. The methods like playing roles, organizing debates among students, involvement in project works, quiz competitions, excursions, educational tours, organizing guest lectures etc. are periodically held in the department to engage students in a friendly way. While pitching for a field visit, students are often encouraged to link classroom lessons to that of life in reality. These practical visits to different platforms provide students the opportunity to visualise, experience and discuss information.

#### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The Institution possesses transparent and comprehensive evaluation process in terms of frequency and variety. Threrefore in order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in time. The formation of WhasApp groups provides a continuous linkage to students in all matters including internal assessment. Departmental meetings are held periodically and decisions are taken in presence of all the faculties chaired by the head of the concerned department. Internal assessment of students belonging to all semesters is basically done through sessional examination and assignments. The students who fail to overcome the respective sessional examination or fail to submit assignments in time, they are given another chance to clear the process. Internal assessment also includes four marks for attendance, therfore they are well aware of assessing process.

### 2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The concerned department of this institution maintains a transparent procedure to handle all types of grievances related to internal examination. Primarily, sessional examination is periodically held for each semester (odd/even) and assignments are provided to students to be submitted within a specific point of time. Any student who fails to appear for the said examination or does not submit assignments in due course of time, they are asked to raise their grievances and accordingly it is solved. The students having arrear in the sessional examination are also assisted in every

#### 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

To increase the awareness of students and teachers regarding the programmes offered by the institution, orientation programmes are organized timely to motivate and guide the students to clarify the confusions, difficulties and subtlety of the course in the initial stage. Both CBCS and Non-CBCS (Honours/Regular) curriculum is running in the institution. Non-CBCS curriculum is properly handled by students batch by batch and they are well aware about it as the units involved in this curriculum are pointed and comprehensive to the concerned areas. The CBCS curriculum is introduced by the concerned university in 2019 and though confusions/complexities arose in the beginning in relation to selection of subjects and course structure, right now these are fully solved and the continuous orientation on these issues have made it possible to have a well-developed mindset for teachers and students concerning the new curriculum.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The concerned department as well as the institution keeps good record of all the students of all semesters having honours or regular courses in the undergraduate level. The records are kept both in soft and hard copies and specifically the mark sheets of final semester students are kept well in tact in the concerned

department. The institution regularly analyses the outcomes of the students in each semester and thereby frames a systematic record of students securing good scores or students failing in the respective semester examination. After attaining the outcomes, the officials in the institution re-orient the students by motivating them to reappear for the examination and try to solve the grievances in accordance with the validity of their issues.

#### GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Keeping in mind the mission of the institute, our college is catering to education of local students. Also it caters higher educational aspirations of the local society. The institute provides higher education at very low cost and felicitates the disadvantaged students and encourage them for obtaining higher degree of education. Internal Quality Assurance System has well defined processes and systems in place to ensure adherence to quality in all aspects of the Institute's functioning. The teaching -learning mechanism is reviewed at several levels within the Institute- by the Governing body, HOD meetings and then in Academic Committee. The IQAC works with different divisions to find areas of improvement and also to document and suggest new changes and improvements for quality enhancement. Feedback are collected from all stakeholders based on which action are taken to improve the quality and educational environment of the institute. All the important national days and events are observed to foster a sense of belongingness to the Nation. Memorial lectures, seminars and webinars and workshops on various issues are conducted to realize social needs and arouse awareness among the students regarding emerging new realities, environmental and other challenges.

#### 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Institutional Best Practice-I

Title of the practice: Vice Principal's Interactive session with the students during every new academic session

Objectives of the practice:

The prime objective of the interactive session initiated by the newly appointed Vice Principal, Dr. Kamal Ch. Saikia is to bring the students closer to the administrative structure and make them feel free and bold in placing their opinions, grievances or seeking after the required services. Quality education demands a democratic environment and a stress-free space which encourages the learner to speak, claim and raise voice as a part of their social responsibility.

Institutional Best Practice-II

Title: E-Learning cum Online Classes

Aims: To facilitates the use of e-learning in teaching learning and provide opportunity of Online Classes during the pandemic.

Context: The continuous advancement in the field of ICT and internet has made multiple mode of e-learning possible. The pandemic of Covid-19 rang the bell of practically use the ICT resources in form of E-Learning and Online classes. Dr.B.K.B. College being situated in rural societal set up, the exposure of e- learning and online classes is a boon at the same time challenge for the teaching-learning.

#### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Dr. B. K. B. College since its establishment has been imparting undergraduate instruction only in arts stream with 10 departments with Sociology, performing art ( Sattriya Dance form) and Psychology introduced from 2014. Commerce and B. Voc are recent entries. Hence it has its focus concentrated in inculcation of values and abilities in the field of humanities. As stated in the course outcome the institution has priotised the area of learning to live with values associated with a good citizen in general and professions like teaching, journalism, social works, politics etc in particular. To meet this end the institution has tried to create the curriculumextension interface. Apart from the deliberations in the class room there has been a continuous efforts towards inculcation of core values through programmes such as memorial lectures, community oriented works through NCC, NSS, Certificate course in creative and critical thinking, data analysis and project preparation, computer education, seminar, webinar and celebration of national events etc.

#### Part B

#### **CURRICULAR ASPECTS**

#### 1.1 - Curricular Planning and Implementation

- 1.1.1 The Institution ensures effective curriculum delivery through a well planned and documented process
  - The Academic Committee, Dr. B.K.B. College, with Principal as Chairperson, Vice-Principal as Member Secretary and IQAC coordinator and HODs of all Departments as members, prepares the planning for Curriculum delivery and takes good care of documentation of the same. The committee ensures maintenance of class, completion of syllabus, necessity of extra and remedial class, excursion, examination, result etc. The committee in its meeting, held at least one in every month, takes progress report from the Departments and provides prescription for betterment. The vice-principal acts as the monitor of the classes held.
  - The Academic Calendar prescribed by the Parent University is modified by IQAC with scholastic and non-scholastic programme designed by Departments/IQAC/different Cells of the Institution preparing the route to thedesired goals of the institution.
  - The HODs prepare and provide Assignments to each teacher of the concerned departments before commencement of every semester and submit the same to Academic Committee and office of the IQAC. The teachers prepare Teaching Plan for the Assignments provided and submit the same to their concerned HODs. The teachers conduct the classes assigned following the teaching plan made and the HODs ensure completion of the course accordingly.

#### 2.2 - Catering to Student Diversity

### 2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The Institution provides a well-structured learning atmosphere to all the students originating from diverse linguistic backgrounds. The teachers of the department equally support and assist the slow learners along with the learners having advanced capabilities by using different audio-visual teaching aids to increase their learning level. The use of the master board inside the classroom motivates the students to learn in a didactic way. This procedure of teaching helps the students to develop their understanding capacity inside the classroom and they can thereby analyze the concerned topics in their individual levels. Group discussions are also arranged for the slow learners in such a way where a few leading students among advanced learners are offered the platform to talk, discuss and guide the targeted students in relations to the concerned class concepts/texts that they find difficult to understand in the class.

Also remedial classes are conducted for slow learners. Resessional examination are conducted for those who have failed and given second chance to excel.

#### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institution adopts the student centric methods to enhance their involvement in learning the course concepts as well as solving the problems or confusions arising out of difficulties in the learning level. The methods like playing roles, organizing debates among students, involvement in project works, quiz competitions, excursions, educational tours, organizing guest lectures etc. are periodically held in the department to engage students in a friendly way. While pitching for a field visit, students are often encouraged to link classroom lessons to that of life in reality. These practical visits to different platforms provide students the opportunity to visualise, experience and discuss information.

#### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The Institution possesses transparent and comprehensive evaluation process in terms of frequency and variety. Threrefore in order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in time. The formation of WhasApp groups provides a continuous linkage to students in all matters including internal assessment. Departmental meetings are held periodically and decisions are taken in presence of all the faculties chaired by the head of the concerned department. Internal assessment of students belonging to all semesters is basically done through sessional examination and assignments. The students who fail to overcome the respective sessional examination or fail to submit assignments in time, they are given another chance to clear the process. Internal assessment also includes four marks for attendance, therfore they are well aware of assessing process.

### 2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The concerned department of this institution maintains a transparent procedure to handle all types of grievances related to internal examination. Primarily, sessional examination is periodically held for each semester (odd/even) and assignments are provided to students to be submitted within a specific point of time. Any student who fails to appear for the said examination or does not submit assignments in due course of time, they are asked to raise their grievances and accordingly it is solved. The students having arrear in the sessional examination are also assisted in every possible way to upgrade their score with the arrangement of re-sessional tests specifically.

#### 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

To increase the awareness of students and teachers regarding the programmes offered by the institution, orientation programmes are organized timely to motivate and guide the students to clarify the confusions, difficulties and subtlety of the course in the initial stage. Both CBCS and Non-CBCS (Honours/Regular) curriculum is running in the institution. Non-CBCS curriculum is properly handled by students batch by batch and they are well aware about it as the units involved in this curriculum are pointed and comprehensive to the concerned areas. The CBCS curriculum is introduced by the concerned university in 2019 and though confusions/complexities arose in the beginning in relation to selection of subjects and course structure, right now these are fully solved and the continuous orientation on these issues have made it possible to have a well-developed mindset for

#### 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The concerned department as well as the institution keeps good record of all the students of all semesters having honours or regular courses in the undergraduate level. The records are kept both in soft and hard copies and specifically the mark sheets of final semester students are kept well in tact in the concerned department. The institution regularly analyses the outcomes of the students in each semester and thereby frames a systematic record of students securing good scores or students failing in the respective semester examination. After attaining the outcomes, the officials in the institution re-orient the students by motivating them to re-appear for the examination and try to solve the grievances in accordance with the validity of their issues.

### GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Keeping in mind the mission of the institute, our college is catering to education of local students. Also it caters higher educational aspirations of the local society. The institute provides higher education at very low cost and felicitates the disadvantaged students and encourage them for obtaining higher degree of education. Internal Quality Assurance System has well defined processes and systems in place to ensure adherence to quality in all aspects of the Institute's functioning. The teaching -learning mechanism is reviewed at several levels within the Institute- by the Governing body, HOD meetings and then in Academic Committee. The IQAC works with different divisions to find areas of improvement and also to document and suggest new changes and improvements for quality enhancement. Feedback are collected from all stakeholders based on which action are taken to improve the quality and educational environment of the institute. All the important national days and events are observed to foster a sense of belongingness to the Nation. Memorial lectures, seminars and webinars and workshops on various issues are conducted to realize social needs and arouse awareness among the students regarding emerging new realities, environmental and other challenges.

# 6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Strength of governance of Dr. B.K.B. College lies in its practice of decentralization and participative management. The Principal usually does not takes a decision alone but executes the decisions taken by different Committees headed and represented by Vice-Principal, IQAC Coordinator, coordinator of different cells, HODs, Student Union etc. With the approval of Governing Body in case of major issues.

IQAC, Dr. B.K.B. College, with representatives from Teaching and Non-teaching staff, Students' Union, Alumni Association and Local Citizen, works like the engine of the institution. It designs scholastic and non-scholastic programme for the session 2020-21 and helps the college administration to make a quality execution of the same.

The office of the Vice-Principal is another example of decentralization and participative management. The Vice-Principal is the Convenor of Academic Committee, Admission Committee, Grievance Redressal Cell, and Administrative Officer of IQAC, the president of the BKBIAN Group for Counselling apart from being vice president of many other cells such as Planning and Finance Committee, Disciplinary Committee etc. The Vice-Principal has been the Officer in Charge of the Sessional Examinations and Confidential Officer in Charge of Semester-End Examinations, prepares the Daily Class Routine and maintains and ensures conduct of daily classes.
