

Dr. Birinchi Kumar Barua Memorial Lecture, 2019

Dr. B.K.B. College, Puranigudam

Date: 6th November, 2019

The series of memorial lectures organized at Dr. B. K. B. College since 2006 constitute one of the core areas of academic activities which have widely impacted the prevailing notions of culture, literature, performing arts and historical perspectives in Assam. With participation of some of the leading academicians, litterateurs and research scholars, each time with a fresh area for deliberation, the lecture series have introduced some fresh ideas and insight into the emerging areas of humanities besides evaluating the immense contributions of Dr. B. K. Barua. Dr. Birinchi Kumar Barua stands among the pioneers of Assamese intelligentsia and litterateurs who had created the most vibrant space for flourishing Assamese identity with its distinct regional features in a pan Indian context. We have been able to introduce our academic fraternity, especially the students' community to the most dynamic minds of our time through this annual and biennial engagement.

6th November, 2019 – Dr. B. K. Barua study Centre organized the annual memorial lecture for the first time in the premises of the college and invited Prof Prodip Khataniar, Associate Professor of Philosophy, Cotton College and a renowned bibliophile of Assam whose personal library has been enriched with more than twenty five thousand rare books to deliver the memorial lecture on **Philosophy and Literature: an Interdisciplinary approach**. It was an extremely refreshing and insightful session deliberating on areas of cross fertilization. Beyond the traditional boundary of analytical philosophy, questions of being and power of imaginative representation situate a common space for literature and philosophy. Drwing critical reference from Plato down to modern philosophical premises Prof. Khataniar made certain insightful enquiry into the literary creations with reference to Assamese novels and other genres. Prof. Prabhat Bora, A renowned literary critic added his perception on the subject while making his critical observation on the lecture.
