Brief Description:

For the session 2020-2021, an introductory programme on the launch of the Certificate Course on Creative & Critical Thinking was organised by English Dept., Dr. B.K.B. College. The very purpose of the course was expressed in the lectures as delivered by the Principal, Vice-Principal and a few invited guests including faculties of the department. Approximately forty students from various departments actively participated in the programme and cooperated with all the processes as designed by the department concerned. It was found through proper communication and interaction with the students that they were really interested to learn newer concepts through this course. Logically, the inaugural session for the second batch of the course was a successful one.
