

Report on World Environment Day, 2021 organised by Eco Club, Dr. BKB College, Puranigudam in collaboration with IQAC and Department of Geography.

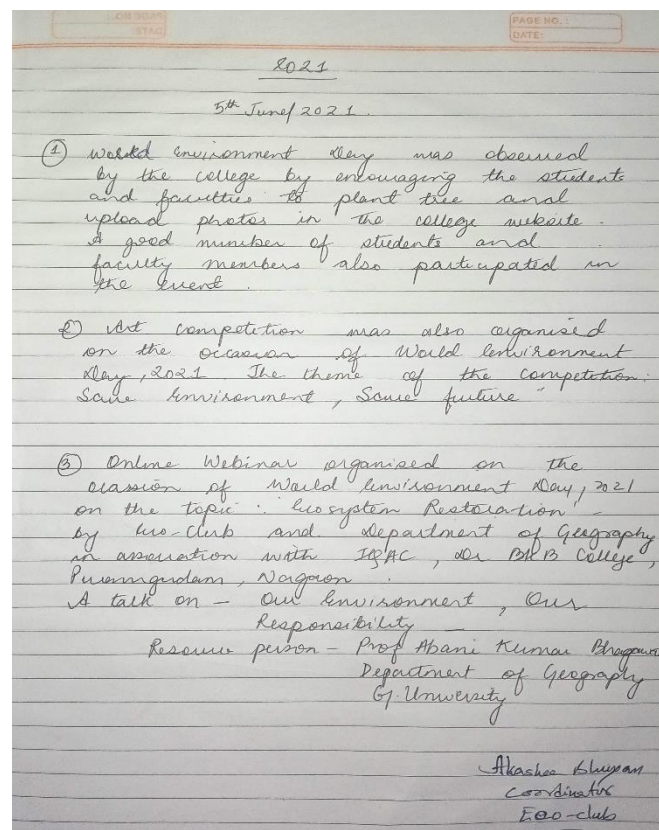

Due to pandemic colleges were shut down and online classes encourage. On the occasion of World Environment Day on 5th June/2021, under the initiatives of Eco Club in collaboration with IQAC, tree plantation programme was held. The students and faculty members were instructed to plant tree and upload image in the college website. A good number of students and faculty participated in the event.

Secondly, Art competition was also held to mark the event. The Theme of the Competition was "Save Environment, Save Future".

Thirdly, Online webinar was organised in the evening in collaboration with Department of Geography and IQAC, Dr. BKB College, Puranigudam, on the topic: Eco system restoration and "Our environment, Our Responsibility". Prof. Abani Kumar Bhagawati was the resource person of the programme. The resource person enriched the listeners by sharing important aspects of environment and our due responsibility in dealing and tackling the problems.

The programme was over all very successful and positive feedbacks were received from participants.
