

OFFICE OF THE IQAC

Dr. B.K.B. College, Puranigudam, Nagaon, Assam

Details of Barrier Free and *Divyangjans* Friendly Campus:

Dr. B.K.B. College, Puranigudam aims to provide an inclusive education framework for all and to strive to create a barrier free and *divyangjans* friendly environment within the college campus. It provides the following facilities to ensure disabled friendly and barrier free environment for the *Divyangjans* to live with equal opportunities like other common peoples inside the college campus.

1. College provides disabled friendly infrastructure like ramp.
2. College provides disabled friendly washrooms.
3. College provides mechanized tools like wheelchair.
4. To access the needed facilities instantly all the necessary places of the college are indicated with signage boards.
5. College has installed Windows 10 software in most of the computers of the college, where Microsoft Narrator software is available and the provision of easy access is available for blind disable students and teaching and non-teaching staff of the college.
6. College has the facilities to scribe in writing the examinations following the rules and regulations of the Government and Parent University.

Thus the college creates disabled friendly and barrier free environment inside the campus.

1. College provides disabled friendly infrastructure like ramp:

The college management is sensitive towards the differently abled stakeholders of the college, especially for the students and employees of the college. Ramps are constructed at the Ground Floors of the Assam Type Administrative Building, newly constructed RCC Academic Building, newly constructed RCC Canteen Building and RCC Central Library Building for barrier free movement of the stakeholders of the college.

2. College provides Disabled Friendly Washrooms:

The college administration always provokes for an inclusive teaching learning environment and tries to create a barrier free and differently abled (*divyangjans*) friendly environment within the campus, accordingly college tries to provide the basic facilities for the *divyangjans*, like disable friendly washrooms. Few of the washrooms of the Ground Floor are renovated and constructed as disable friendly with scheduled maintenance, cleanliness and hygiene.

4. Assistive Technology (Microsoft Narrator):

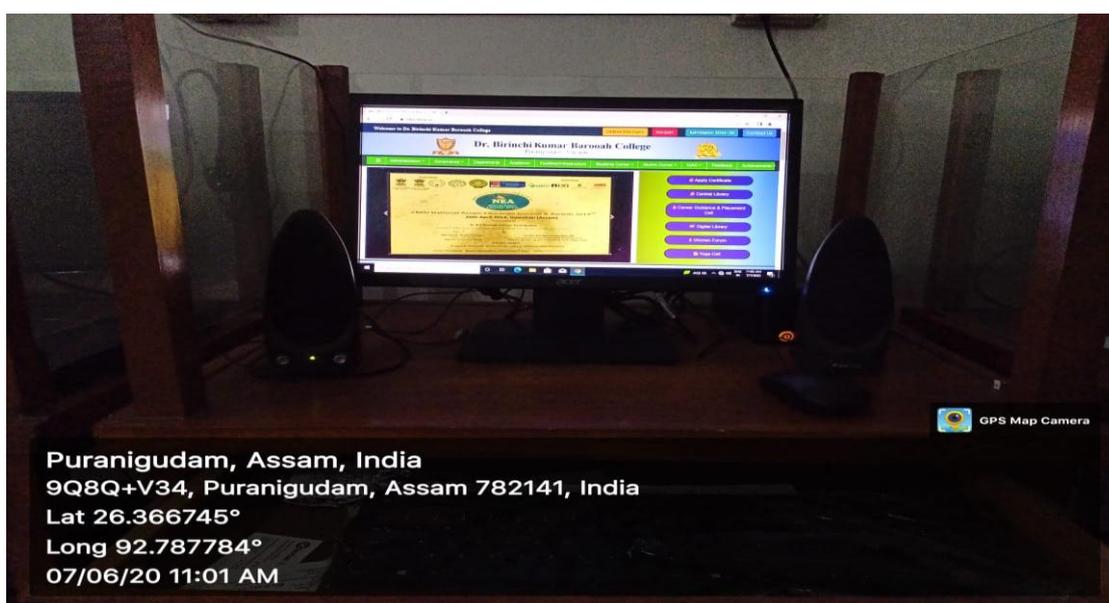

Assistive technology (AT) is assistive, adaptive and rehabilitative tools for people with disabilities. People with disabilities often faced difficulty in teaching learning process. Therefore, computer assistive software tool such as Microsoft Narrator is available in the computer lab and central library for persons with disabilities along with one library assistant and the computer faculty who are available to assist the disabled persons. This application is freely available with Windows 10 operating system and Windows 10 operating system is already installed in most of the computers of the college.
