Message from the Principal

I would like to welcome our new comers to Degree and Higher Secondary Courses available at our college. We are offering Degree Courses in three streams-Arts, Commerce and B.Voc. Higher Secondary courses in Arts and Commerce Stream. It is now known to aspiring students that admission of Degree and Higher Secondary Courses will take place through the Samarth Portal of the Govt. of Assam and Darpan portal of the AHSEC, Assam. We are also offering M.A.Courses under KKHSOU and GU CDOE through our own Study Centres.

Having served our people in a predominantly rural area for more than fifty-five years in the field of higher education, we have now reached a certain height after securing A grade status accorded by NAAC. Our institution has been concentrating in different directions every year. We have offered diverse courses in three streams. Diploma and certificate courses in computer application have been in force with state-of-the-art computer lab facilities. During the current session new courses under PMKVY scheme on IT, Yoga and Gym are introduced. All regular students are eligible to avail these add on courses along with passed out and dropped out students without any fees. These courses will enhance the skill and employability of our students to a great extent.

Our motto is all round development of the human being in a student. So, apart from academic improvement of the students we are providing facilities and taking care of students for co-curricular and extra-curricular activities. That is why our students are excelling in sports, music and drama also.

With qualified faculties, a rich library, good ICT facilities and adequate infrastructure we have been providing a better learning environment in middle Assam particularly in greater Puranigudam area. Students from different districts and different communities prefer our institution because of a congenial atmosphere prevailing in the campus of our college.

With best wishes to all would be new students of our College.

PROFILE OF THE COLLEGE

Introduction:

Dr. B.K.B. College established in 1967 has gradually emerged to a premier institution of higher education in a rural ambience. This centre for higher education accredited with Grade A by NAAC in 3rd cycle assessment in 2023 came into being under the able leadership and guidance of several leading citizens of Puranigudam. It was, in fact, a very adventurous project to which all the people rich and poor contributed at their own strength. Dr. B.K.B. College owes a great deal to those dedicated souls trying every plan to realize a long-cherished dream. We take pride at their noble efforts.

The college is named after Dr. Birinchi Kumar Barua-a dedicated teacher, folklorist, research scholar and a renowned literateur of Assam who was born in the famous Kharangi Barua family of Puranigudam. Dr. B.K.B. College has successfully come through the 1st national accreditation programme in September, 2004 initiated by the University Grants Commission (UGC) and was re-accredited by NAAC in January, 2011. The college celebrated its Silver Jubilee 1993 and Golden Jubilee, 2017. Both the events particularly the Golden Jubilee were celebrated with memorable events amidst enthusiastic response from all the stakeholders, student and alumni. The college campus maintains an excellent environment for teaching- ICT aided classrooms, computer lab, library and a mechanism of curriculum extension interface. Evergreen trees, flower gardens and the Kolong River at the back of the college auditorium adds to its beauty.

Vision:

To impart higher education in Higher Secondary (H.S.) level and Under Graduate (UG) level to the cross section of learners (basically belonging to the socio-economically backward communities) at an affordable cost through a syllabus designed by the AHSEC and Gauhati University and a curriculum- extension interface at our own initiative.

Mission:

1. To generate knowledge and develop cognitive abilities through well planned curriculum, co- curricular and extra-curricular activities, innovations in teaching learning environment and evaluation procedure.
2. To inculcate values and preserve socio-cultural identities, ensure equal development and to foster a sense of belongingness to the Nation.
3. To create an academic environment for promotion of scholastic and non-scholastic activities.
4. To promote the values of self-sustenance and self-reliance by introducing career-oriented programmes, vocational and cultural workshops, seminars etc. aiming at minimizing the burden of bookish knowledge.
5. To realise social needs and arouse awareness among the students regarding emerging new realities, environmental and other challenges.

THE IQAC CELL

IQAC has been an integral part of the management of higher education in India. As an internal mechanism of higher education, the IQAC in a college helps management in planning and executing quality related programmes and activities, ensures justice and equity in fair transaction of scholastic activities and keeps profile of faculty improvement programmes of the teachers, prepares the AQAR for submission to NAAC and collaborates with the departments to carry out various scholastic and non-scholastic programmes. IQAC also plays prominent role in orienting and preparing the institution for greater responsibility and for periodical assessment and accreditation by NAAC.

The IQAC in Dr. B. K. B. College has been functional since 2004. It has its bold initiative in steering the institution through the succeeding phases of accreditation processes with better result. In 2023, Dr. BKB College was accredited with an 'A' grade of 3.09 CGPA in its 3rd cycle of assesment by NAAC.

DR. B.K.B STUDY CENTRE

Dr. Birinchi Kumar Barua Study Centre was launched in 2019 as per recommendation of the NAAC PEER TEAM visiting our college in 2011 for 2nd cycle reaccreditation. As the college is named after Dr. Birinchi Kumar Barua, the towering personality in Assamese literature, culture and historical scholarship in the first half of the twentieth century, it has been a continuous innovative practice for the institution to encourage and promote fresh ideas and critical enquiries in the field of humanities in his memory. The rationale behind its formation, precisely speaking, is to promote certain core values that can well reflect the spirit and pluralistic ideas as observed in the thoughts and works of Dr. B. K. Barua. We have some ambitious plans to give the centre a broad based research credential with specific focus on socio-cultural and environmental concerns. Since its formation we have been conducting some routine activities i.e. B. K. Barua Memorial Lecture (annually in association with a particular departments) and biennially by the Study centre), a certificate course in Creative and Critical Thinking for aspiring students in an academic session, literary and cultural programmes like Galpo-Kotha, (a story telling programme based on the texts of some leading short stories and beautifully tuned with classical music according to the emotional and intellectual temperament as reflected in the texts). On 10th November, 2023 the 9th biennial B.K. Barua Memorial Lecture was delivered by Mr. Khoyansing Hanse, the fmous lexicographer of bilingual Karbi-Assames Dictionary. Dr. BK Barua College award was also conferred on Mr. Khoyansing Hanse in recognition of his contribution.

WOMEN CELL, DR.B.K.B. COLLEGE

Women Cell at Dr.B.K.B. College was formed in the year 2006, with the aim of empowering and asserting the women to recognise their true potential. Its primary goal is the overall development of women in all spheres - socio-economic, cultural and environmental. It has set the goal of creating awareness about important issues related to women and to provide a forum for discussion and deliberation on a range of issues from empowerment to environment. The Women Cell also displays wall magazine "Shrutosrini" annually. It also published an edited book been 'Women of North East India in 21st century' in 2022.

Objectives:

- To make students aware of Gender Equity.
- To look into the welfare of the students.
- To inculcate moral values through discussions and individual counselling.
- To create awareness on the roles / duties and rights of women so as to prepare them to protect themselves from any sort of harassment.
- To impart knowledge on health and hygiene.

Major initiatives/programs/activities/events conducted and observed are cited below:

- Celebration of International Women's Day every year by arranging lectures within and outside campus focussing on relevant issues.
- Celebration of Children's Day by visiting neighboring schools and providing them books and other essential needs.
- Performing skits and one act plays for creating awareness in society.
- Organising group discussions speech, debate, essay competition etc on important issues to sensitize students.
- Arranging workshop, lectures, popular talk and awareness programs by inviting eminent personalities.
- Promote research work by publishing books.
- Providing financial aid to students belonging to economically weak background.

Vice Principal's Interactive Session with the Students during every New Academic Session

The prime objective of the interactive session initiated by the Vice Principal, (Dr. Kamal Ch. Saikia) is to bring the students closer to the administrative structure and make them feel free and bold in placing their opinions, grievances, or seeking after the required services. Quality education demands a democratic environment and a stress-free space which encourages the learner to speak, claim and raise voice as a part of their social responsibility.

It has been observed through contacts with the students that most of the students belonging to the socially disadvantaged communities do not feel at home while approaching the college authority and people entrusted with administrative duties. But we feel that unless and until this mindset is improved there shall be no ideal atmosphere for healthy execution of the teaching-learning process. Moreover, the rural-based learners need orientation regarding the ready-to-use infrastructure, teaching-learning facilities and the curriculum-social responsibility interface.

Department of English :

The Department of English, Dr. B.K.B. College started functioning since the establishment of the college in 1967. Within the curricular framework based on the syllabus provided by the parent university, its prime objective has been to acquaint students with the various forms, trends and development of literature in English including western and eastern aesthetics. It aims at creating holistic, analytical and critical perspective and facilitates students' active and positive participation and contribution to the society. Particular attention is given to groom the critical faculty of the students by organising student seminars and presentations from time to time and critical exposure is also provided by way of lectures delivered occasionally by some eminent scholars in this field. While imparting instruction in English literature including representations from contemporary Indian, North-East and regional literature, the department endeavours to foster values and create interest in creative and critical aesthetics. It believes in the capacity of a literary pursuit that can bridge between the related subjects of humanities.

Department of Political Science :

The Department of Political Science, Dr. B.K.B. College, Puranigudam has completed its 57 years of existence since 1967. In the beginning of the college six subjects were introduced and Political Science was one of the subjects among them. Originally the college was started with pre-University courses. The Department of Political Science received permanent affiliation by the Gauhati University vide letter No. 24/4/91 (6) dated 23/02/91. The COVID 19 pandemic has directed the education system towards a new paradigm which needs to be explored for effective blended education. To meet the current needs of the students, the department has introduced online teaching and assessment through digital mode of learning. During the pandemic situation, online learning continues with the help of various tools. The Google Meet and Zoom platforms have been used by the teachers of the department for live classes. Additionally, Google Classroom has also been used to provide online learning materials and assignments. The basic objective is to engage students and create learning opportunities outside the traditional classroom setup. All these techniques have been used to continue the process of knowledge delivery without compromising in any way on the future of the student. The Department of Political Science has started its departmental activities in a separate room with a select learning resources and expertise. Though not quite rich in collection of books, the department has a library with around 400 books (text & reference). The department has its own Google sites and collection of e-materials (including text books, e-journals and references).

Department of Information Technology : B.Voc

Dr. B.K.B. College established in the year 1967 has gradually emerged to be a premier institution of higher education in a purely rural environment. The college offers three year degree course in Arts and Commerce under Gauhati University. Apart from the regular courses ,the college has also introduced several certificate and diploma courses at institutional initiative so that learners can be motivated towards learning some basic skills to enhance employability. The college introduced B.Voc course in Information Technology and Physical education from the session 2020-21 with prior approval from UGC and Gauhati University. With B.Voc course of study being equivalent to the existing degree courses, Dr. B. K.B College has been able to diversify the curriculum with specific focus on skill-based vocational shifts. This has also enabled the institution to prepare for the policy formulations initiated under NEP 2020. The inaugural ceremony of vocational course was held on February, 2021. The ceremony was attended by students and different dignitaries. It is expected that the institution will be able to create more vibrant space for new orientation towards institutional distinctiveness in accepting the emerging challenges. A rural based college has potentialities that can be groomed for generating employable resources. Further, rural students too have to cope up with the emerging challenges implicated in the IT field. We can also use the IT setup for introducing some fundamental need -based courses to generate computer literacy.

FACILITIES AVAILABLE IN THE COLLEGE

HOSTEL :

The college provides hostel facilities for girl students with provision for twenty two inmates. The students belonging to tea-tribe communities get preference. While admitting students the hostel committee concerned takes final decision and will be selected for admission to the college hostel on the basis of merit and distance.

Corpus Fund:

Corpus Fund, formed with monthly contributions of teaching and non-teaching staff of the College, is meant to provide financial assistance to the students belonging to the economically disadvantaged families requiring assistance for medical treatment and academic pursuit. However, the sole responsibility lies with the committee to consider the cases of the beneficiaries and the amount to be sanctioned thereafter.

Poor Fund:

The college has been providing financial assistance to students belonging to economically disadvantaged families from the accumulated fees collected from the students at the time of admission. The office after collecting the forms from the students in the month of November-December submits the same to the Poor Fund committee for selecting the beneficiaries on merit cum needs basis.

Central Library:

The college library is enriched with more than seventeen thousand volumes of texts and reference books of eminent authors. The reference books of various kinds have definitely improved the quality of the library. National and regional newspapers, journals & periodicals are available for the use of the students along with a spacious reading room.

Books are issued to the students having library card from 10 A. M. to 4 P.M. The Institutional Repository has been of great help to the students where question papers, reference, books published by the college and faculties along with MPhil Desertations and Ph.D thesis are available. The college has a librarian and two assistants. The College library has been partially automated with SOUL 3.0 software. E-book and E-journals through NLIST & NDLI are also available in the central library.

● Library Membership:

After getting admission, fill-up the membership form through the following link for library card : https://docs.google.com/forms/d/e/1FAIpQLSdcloYmjqFViOAnlBloA63cqnnDEcCZBLZn9P6AEXJ6wyjvYQ/viewform?usp=sf_link

Book Bank: (Central library)

There is also a Book Bank especially for the poor students in order to provide text books for the entire session. On receiving application a panel of selectors will consider the eligibility criteria and then finalize the list of beneficiaries. We have plans to reshape and augment the existing Book Bank.

Tanusree Hazarika Book Bank: Tanusree Hazarika Book Bank has been introduced as a separate entity in the central library with donations received from Mr. Pabir Hazarika and Prof. Utpala Hazarika of Guwahati. The Book Bank in memory of their beloved daughter has been carefully groomed to provide all essential text books and references to the students who belong to the economically poor families as per rules framed for this purpose.

Departmental Library:

Each department of Dr. B.K.B. College maintains a small library with facilities of providing books particularly to the students offering major. There are around five hundred to two thousand books including journals in each of such libraries and it has been of great help to the advanced learners.

Scholarship :

All the schemes of scholarship facilities offered by the governments and other agencies are made available to students belonging to the Scheduled Castes, Scheduled Tribes, OBC, MOBC and Minorities. The students must have at least 70% attendance to avail the scholarships.

Central Museum:

The College has taken initiative to upgrade the existing Mini Museum to a well defined Central Museum. A separate room has been arranged for showcasing rare materials of historical and antiquarian interest, art works, manuscripts, traditional garments, etc. Dr. Som Nath Bora has been curating the museum.

Computer Lab:

A well furnished and sophisticated computer lab has been installed with financial assistance under RUSA. Altogether 40 students can attend IT classes with a separate set of computer, ICT facilities, smart board.

College Canteen:

The college provides a well-furnished canteen newly constructed with financial assistance from the state government. All the members of the college community can avail the facility of the canteen installed within its campus. It provides lunch, tea and snacks at an affordable price with the supply of pure drinking water.

College Gymkhana:

The college has a well equipped Gymkhana for physical exercise and body building for the students and youths of the locality. A well trained physical instructor gives necessary training and instruction. The monthly fees for the students of the college is Rs. 50/- and for outside members it is Rs. 100/-. The aspirants need to contact the office of the college in any working day for admission to Gymkhana.

Auditorium:

'Sudhakantha Dr. Bhupen Hazarika Prekshagriha', the auditorium of the college is constructed with financial assistance from Tea Board, India and formally dedicated to the service of the academic community in 2013. Since then the auditorium has been in use while conducting various academic and community oriented programmes such as Freshers' Social, meetings, seminars, workshops, etc. An auditorium complete in itself is an expensive project and still needs further works for completion.

Open Library :

This is an innovative practice undertaken by the Dept. of English for promoting reading culture among students. The students can pick up a book at their choice and has no strict rules to be followed. It is literally open where every student is a librarian and a reader at the same time. The department of English looks after the library and Mr. Jitya Ranjan Saikia, assistant professor, English has donated two almira for storing books while esteemed donors including eminent ones have donated books.

Cloth Bank :

Cloth Bank is an initiative of Department of Education, Dr B.K.B College, Puranigudam. It is a humble attempt to help students in need of clothes to take away with dignity. Any person can donate clean, washed and iron clothes to the Cloth Bank. It tries to spread warmth and love by donating clothes for all- men, women, children and kids. The furnitures of the cloth bank are donated by Dr. Ranjeeta Kakoti, Asstt. Professor in Education Department.

Other Facilities :

1. Dr. B.K.B. College facilitates students to participate in various Inter College/inter University competition under parent university.
2. Dr. B. K. B. College periodically organizes Book Fair for the benefit of the students and the people of the local society. We normally invite some reputed publishers cum distributors like Satirtha, Anwasha and Aank Bnaak.
3. Extension Activities (within/outreach): Lots of extension activities within the college campus and outreach programmes are conducted every year with a view to providing real life exposure to students and serving the community as well. While introducing these schemes we mostly keep in mind the regional needs, all-round development of the students. With such involvement we want our students to be familiarized with the contemporary socio-economic realities. The institution seeks to provide them with a platform where each student can at least realize the old values and new compulsions, find basic instructions to procure a means of livelihood. Arousing individual sense of responsibility towards preserving healthy environment and national integrity is among our top priorities.
4. The UGC Resource Center/ IT Dept. imparts basic instruction on computer application and use of e-resources to the students.
5. The GIS facility has already been introduced to the laboratory of Geography.
6. Teaching Learning Material (TLM): Students are provided TLM through whatsapp Groups formed in every department and also through college website. Further e-books, e-journals through NLIST & NDLI, relevant articles for reputed journals, pdf materials for internal sources etc are also made available to the students.

Education is a great leveler and is the best tool for achieving economic and social mobility, inclusion, and equality. Initiatives must be in place to ensure that all students from such groups, despite inherent obstacles, are provided various targeted opportunities to enter and excel in the educational system.
